

Arc en Ciel

PRIVATE VILLA

Terraced high on the hillside, this luxurious 4 bedroom villa offers spectacular vistas and an exceptional level of privacy. Architecturally and in its décor, the complex has a fresh all-white exterior. The main area encompasses three of the king bedrooms, all with exquisitely tiled baths en suite. There is a gourmet's dream kitchen, a dining area, and a gorgeous sunken living room with enormous arched windows that look out to the sea. The 4th bedroom with bath en suite is in a separate pavilion. The villa features a heated infinity-edged pool that overflows into a Jacuzzi, and the ample outdoor living spaces include a spacious deck and a raised dining terrace. This is an extraordinary vacation home. Non-smokers please.
