

Arrow Marine

PRIVATE VILLA

Located seaside in the exclusive Mont Jean gated community, the nicely private four bedroom, fully air-conditioned, Villa Arrow Marine has earned its recognition in design magazines. A spacious living room and a sleek kitchen are window-laden and privy to stunning views of Marigot Bay, Anse Marechal, and the blue Caribbean Sea beyond. The living area opens to a breezy multi-level terrace. A striking semi-circular pool is the focal point of the rear yard which includes outdoor living space and a sheltered spot for alfresco dining. Additional features include a lovely rock garden. Two of the bedrooms (king and king/twin) with en suite baths have a connecting hallway making this wing well suited to a couple with children. The other two (king and king/twin) bedrooms, also with en suite baths, are on the opposite side of the villa.
