

# Caza Lili

PRIVATE VILLA

Villa Caza Lili is a contemporary, absolutely charming—and chic one-bedroom beach bungalow one row back from the beachfront. Steps from the waters of Lorient Beach, it features a terrace with a music system, an oversized plunge pool, and a hammock built for two, it's romantic as all get-out. A gazebo is furnished for outdoor living and relaxing. A table and chairs tucked away in the garden makes for a perfect alfresco dining spot. (Jo Jo Burger is just a short walk and you can get them "to go" and there's a terrific nearby bakery and two grocery stores as well.) Indoors, the space is maximized to include a living room, a fully equipped kitchen and a dining area. The en suite bedroom (French king bed) includes a sitting area and an entertainment system. Caza is fully air-conditioned and screened throughout if guests opt to enjoy the tropical breezes.
