

# Crystal Dream

PRIVATE VILLA

Barefoot, cottage-y casual Villa Crystal Dream sits right on sexy St. Jean Beach. It's a beach-lovers fantasy come true. A comfortable living room, adjacent to a compact kitchen, opens to a spacious deck with a covered area for dining and relaxing. The kitchen has a pass-through that does double-duty as a pool bar. Fun. Guests can float toes up in the delightful pool or have their toes in that warm blue water in seconds. No flip-flops needed. A typical day includes an early morning run on the beach, followed by a swim, coffee, and French pastries, and then settling in on a poolside chaise to read, gaze, or people-watch, libation in hand. ....more at [stbarth.com/villas/detail/CRYST](http://stbarth.com/villas/detail/CRYST)
