

Diamond

PRIVATE VILLA

Hillside in St. Jean, the stylish, contemporary 2 bedroom Villa Diamond boasts a postcard-worthy vista of the sea. Guests enjoy the view from the expansive covered terrace furnished for relaxing and al fresco poolside dining. The elongated solar-heated infinity pool is just gorgeous and is a focal point of the outdoor living space. Just steps from the pool, a teak deck provides a venue and chaise loungers for sun-seekers. A guest bath is nearby.

A sleek spacious kitchen features an oversized island with seating and the adjacent living room is equipped with a state-of-the-art home theater system with Surround Sound and movies on demand. A wall of glass doors open to the outdoor space and frames the view. The two bedrooms are located on opposite sides of the living area. Both have beautifully appointed en suite baths, ample closets, satellite TVs, access to the terrace via sliders and a water view. They are air-conditioned, and screened, giving guests the option of evenings filled with tropical breezes. Nicely private, the location bonus is the proximity to St. Jean Village's shops, restaurants and one of the island's most popular beaches.
