

Domingue

PRIVATE VILLA

Poised cliff-side and configured over 2 levels, the thoroughly contemporary and very private, 3 bedroom Villa Domingue offers guests a luxurious vacation experience complete with a panoramic seascape and glorious sunsets. Three couples, or a family totaling six, can find both ample privacy and opportunities to happily gather. Glass walls that encase the main level living and dining rooms showcase the view, which includes the neighboring island of St. Maarten. Air-conditioned throughout, cool white walls, neutral palette, and minimalist décor create a lovely feeling of calm. The kitchen boasts all the bells and whistles and makes cooking and dining in – or alfresco? a delightful experience. The supersized pool (50' X 10') is heated and features a shallow end with a dozen massage jets. It's the focal point of the expansive outdoor living space. The 3 en suite bedrooms are located on the upper level and offer stunning views of the sea, and with a wealth of amenities (Nespresso machines, mini-fridges, and smart TVs), they are true retreats. Dominique's additional features include a well-equipped fitness room that opens to the pool terrace.

Villa Domingue is next door to the one-bedroom, also very private Villa BelAmour. The two can be rented together, making the space more versatile for accommodating larger groups. ...more at stbarth.com/villas/detail/DOMIN
