LIVE YOUR DREAM®

The view of Flamands' deep blue water and a gorgeous beach just a few minutes away. It is the ideal vacation home for the family. The swimming pool with a swim-up bar and surround sound everywhere - including the kitchen. The kitchen is fit for a gourmet chef. The dining area is a stylish dining area, the guest bath and a spacious living room furnished with contemporary décor and a palette of crisp and soft whites. A giant sized TV pops up from the floor with the press of a button and voilà - a home cinema ready to show the latest DVDs. The sliders can be kept open for outdoor ambiance, or closed for those who prefer air-conditioning. A richly tiled Jacuzzi spa is located on the deck.
