This five bedroom five and a half bathroom compound consists of two separate villas, each with a pool making this accommodation perfect for couples or a family. The view extends all the way to Gustavia and is truly a delight to behold. The furnishings are Indonesian. The main villa has four bedrooms (3 kings and a twin) with en suite baths, indoor and outdoor living, a fully equipped kitchen, and a covered dining terrace. The free-standing guest villa has one bedroom with en suite bathroom, an outdoor covered terrace as well as a kitchen and a pool. Guests can walk to the quaint fishing village of Corossol, take a swim and gaze at the boats that are moored there.
