

# Heloa

## PRIVATE VILLA

Well-located in prestigious Pointe Milou, this delightful 3 bedroom villa boasts stunning views of the sea and surrounding verdant hills. No question that guests will realize at every glance they are vacationing on one of the Caribbean's most beautiful islands. Indoors, a breakfast bar separates a compact, well-equipped kitchen from the dining area and the adjoining casual chic and comfortable living room. Heloa's open floor plan provides direct access to a lovely pool terrace that leverages the views. The pool is banked with chaise lounges and there is additional outdoor living space for sun-seekers. All 3 bedrooms have en suite baths; 2 guest bedrooms are on either side of the living area and the master suite is housed separately in the rear, affording additional privacy. Two parking spaces above the entry stairway are included. Guests can walk (steep) to the Hotel Christopher to enjoy an oceanfront lunch or dinner, or receive a relaxing massage at their spa.
