

Jade

PRIVATE VILLA

Villa Jade was built to ensure privacy, leverage spectacular views, and incorporate an abundance of WOW features to enjoy with family and friends.

Guests arrive to a wooden bridge spanning a lily pond and providing entrance to a small elegant foyer graced by a sitting Buddha. A moon-shaped etched glass sliding door opens to reveal an expansive air-conditioned living area, the infinity pool running the length of the villa and a stunning view of Marigot Bay. And yes, the pool is heated. The contemporary architectural design provides a perfect setting for the Asian décor incorporating antiques, sepia-toned photos, and objects d'art eclectically blended with modern pieces. ...more at stbarth.com/villas/detail/JADE
