

# Lagon Bleu

PRIVATE VILLA

Located in the exclusive gated community, Domaine du Levant, Lagon Bleu is a two villa, 5 bedroom compound, and just perfect for an extended family. And wonderful for entertaining! The larger villa has 3 identical king/twin bedrooms with baths en suite; two are housed in a separate pavilion just down a level from the pool. There is a guest bath on the main level for convenience. A well-equipped kitchen and dining area are adjacent to a spacious comfortable living room with TV. The décor is chic and provides a nice tropical ambiance. Outdoor living and dining areas meander around a lovely pool. The views of Petit Cul de Sac are a delight and guests particularly enjoy dining alfresco on the poolside terrace.

The second villa connects to the main house but provides its guests a nice level of privacy. There is a compact kitchen and living area and it enjoys its own pool and a pretty terrace. The 2 bedrooms (identical king/twin) have baths en suite and the villa shares the delightful views. The short walk (steep) to the beach at Petit Cul de Sac is an added bonus that guests love.
