

Lagon Jaune

PRIVATE VILLA

The 4 bedroom deluxe Lagon Jaune is nicely situated hillside in the exclusive gated community of Domaine du Levant and offers beautiful views. A well-equipped kitchen is adjacent to a generously sized living room and opens on to a sprawling terrace; it surrounds a shimmering pool and extends to a covered dining patio. A guest bath is located on this level as well. The 3 equally sized king/twin bedrooms all have baths en suite; one is just off the living area and two are located on opposite ends of the pool with access to a lovely terrace. The 4th bedroom (with en suite bath) is incorporated into a mini-suite with a kitchenette and living area and it features its own terrace. These accommodations would be ideal for a nanny. Safran is a short walk to the beach and can be rented together with the nearby Siam for guests who would require 6 bedrooms.
