Maison Rouge

PRIVATE VILLA

Maison Rouge

PRIVATE VILLA

Hillside in St. Jean, this fully air-conditioned three bedroom, three and a half bathroom luxury villa is contemporary in design with colorful tropical decor. Its open floor plan includes a sunny gourmet kitchen, breakfast bar, cozy dining area and a comfortable living room. There is a spacious covered poolside dining terrace, lots of room to sun and lounge - and great views. The pool is heated and there is a heated Jacuzzi. All three bedrooms have king beds and baths en suite. The main level master suite offers both indoor and outdoor showers and a private terrace. The second bedroom, also on this level, is in a separate pavilion; the third bedroom with its private terrace is on a lower level. The view looks out to the Baie de St. Jean and the hillside. Villa Maison Rouge is a great choice for St. Jean lovers as the beach, shops and restaurants are located just a short distance below.
