d'art. The villa's techno amenities include satellite TV and Bose Surround Sound. The deck provides ample outdoor living space and would be ideal for entertaining. There are  
comfortable poolside chaises, several conversational groupings of couches and chairs and a look-out nook to take in the view. A sleek, louvered pavilion contains an alfresco dining  
room. The four bedrooms (3 kings and a twin) are housed in the wings and decorated with elegant simplicity. All have baths en suite with private WCs and indoor/outdoor showers. A  
convenient guest bath is located outside the entrance to the kitchen. The larger master unit opens to the pool deck. A gated entrance provides access to ample parking. Gorgeous  
Flamands Beach and the area's fine dining is just a short drive.
