

Gouverneur Dream

PRIVATE VILLA

The striking 3 bedroom Villa Gouverneur Dream overlooking Gouverneur Beach offers spacious, stylish comfort, a spectacular kitchen and a gorgeous infinity pool. The designer kitchen with dining area is the center of an open floor plan that is furnished with chic modern décor and is set-off by an eye-popping vista. The adjacent outdoor living space is ideal for relaxing or entertaining. En suite bedrooms are located on either side of this area. They have king beds and a view of the sea. The bathrooms are beautifully appointed with double vanities and special features and touches. The third en suite bedroom, also with a king bed, is tucked privately away and has its own deck shaded by a bay rum tree. This bedroom suite can be accessed directly from the parking area.

The oversized infinity pool is the focal point of the villa's lower level and seems to merge beautifully with the sea. The expansive pool deck offers ample seating and lounging including a long, built-in banquette. There is a 2nd living room (air-conditioned) on this level designed for entertaining with a dining area, BBQ grill, a well-equipped wet bar and a large screen TV. This level also includes an artfully designed alcove with a full bath and a double-sized day bed set-up for toes-up TV viewing. (TVs throughout the villa, including in the bedrooms, have individual Direct TV service and DVD players. ...more at stbarth.com/villas/detail/MIRAG
