PRIVATE VILLA

Hillside in Colombier, this charming 2 bedroom villa treats guests to a vista of the island's hills and valleys, and the vivid blue waters of Flamands Bay. The view can be enjoyed from several vantage points, including the master bedroom, which is graced by a French king 4-poster bed. How romantic. The bathroom is well-appointed, and the smaller 2nd bedroom (twin beds), adjacent to the master, works well for kids. A compact open floor plan encompasses a full-size kitchen with a breakfast bar, a dining area, and a comfortably furnished living room with a Smart TV. The terrace boasts a super-sized Jacuzzi and is furnished for al fresco dining. Villa Natanya is an ideal rental for budget-minded honeymooners or a family.
