

# Sand Castle

PRIVATE VILLA

Villa Sand Castle is the quintessential beach house. And the beach? Lorient—reef protected, this lovely beach is a little quieter, popular with locals, and offers great snorkeling. Surfers love it; many guests enjoy the sport and it's fun just to watch. Villa Sand Castle leverages its steps-from-the-water location with a wealth of outdoor living space. A wrap-around covered terrace is furnished for relaxing with chairs and couches—there's a hammock strung between trees and a pair of swings for those inclined. Guests enjoy al fresco dining. A beach bar connects with a well-equipped kitchen that includes a wine cooler. And rest assured there's a blender. A spacious private beach area has been crafted and chaises are well situated under palm trees—with others placed to please sun worshipers. A heated Jacuzzi is well-placed - another spot for relaxing! Kayaks and surfboards come with the rental, on request, and with a signed waiver. A little rear yard provides privacy to relax and dine.

Indoors, there's a kitchen, a combination mud room/pantry, a causally-comfortable living room, a guest bath and three bedrooms (Note, one is tiny, with a twin trundle bed, suitable for children.) The villa sleeps six adults only. The master bedroom is en suite with a private WC, and the en suite guest bedroom has sliders to the rear yard. An additional en suite bedroom is in an attached bungalow with a separate entrance. ...more at [stbarth.com/villas/detail/SABLE](http://stbarth.com/villas/detail/SABLE)
