This delightful one bedroom villa is honeymoon-perfect! It leverages its Anse de Cayes location with gorgeous views of St. Barth's brilliant blue waters and tropical breezes. Its sunny deck encompasses a cute-as-a button outdoor kitchen, well-equipped for cooking and chilling rosé; it functions nicely as a pool bar. A gazebo, furnished for dining and with an additional TV, is next to the plunge pool and just across there's a covered and rain-protected sitting area (couch, chairs, and tables.)

A built-in armoire and a column of drawers provide plenty of storage, and there's a desk to set-up a laptop. The en suite bath is lovely and spacious. An over-the-sink mirror can be "flipped" to a window looking out to the sea. Note: there is an additional outdoor shower. The bedroom's TV is equipped with Dish Network, and the Sonos sound system has indoor and outdoor speakers. Guests will
