Hillside in Lorient, the delightful 3 bedroom bi-level villa offers stunning views of Lorient Bay. A waterfall graces the entrance of the home's lower level pavilion that contains two en suite bedrooms. They connect via a rear corridor. A flight of stairs leads to the main house that encompasses an air-conditioned living room—ideal for relaxing and TV viewing, a well-equipped kitchen, and an adjacent dining area. A Sonos sound system provides music throughout. A heated pool and a sandy "beach area" enhance the ample outdoor space. The upstairs bedroom is also en suite. All baths have private WCs and double vanities. All bedrooms have a mini-fridge, a safe and Apple TV. There are two parking spots..
