Vague Bleue

PRIVATE VILLA

The 3 bedroom Villa La Vague Bleue enjoys a great 'address' in Lurin - just a short drive to Gustavia with its shops and restaurants - and a panoramic view. Its chic contemporary décor is comfortable and the layout makes this a perfect choice for two couples vacationing together. Two of its bedrooms with king beds and baths en suite are located on either side of the sun deck with its gorgeous heated infinity pool. The third en suite king bedroom, suitable for a child, is located below one of the master suites and can connect via a spiral staircase, or be accessed directly from the parking area. A well-equipped kitchen with a breakfast bar is adjacent to the living area, as well as an office area and a guest bath. La Vague Bleue's outdoor spaces include a covered dining terrace looking out to the view, and a rear terrace with a warm Jacuzzi and barbecue area. The sunsets here are fabulous!
