

Lagon Vert

PRIVATE VILLA

This striking 3 bedroom villa, located in the gated community of Domaine du Levant, boasts two pools each with a spectacular vista; the main pool looks out over gentle Petit Cul de Sac and the rear offers a classic ocean view. The entrance banked by natural landscaping and tropical vegetation, opens to a well designed outdoor living space centered around the delightful main pool. A covered dining terrace is adjacent to the pool deck. Indoors, the spacious living room opens to the kitchen with sleek, well-equipped work stations. An air-conditioned media room cum office is just off the living room and provides a quiet getaway. A convenient guest bath is nearby. The décor is contemporary but softened with unique pieces that add texture and interest and the villa features a Bose Surround Sound system. All three (king) bedrooms are screened providing an option for air conditioning and each has an en suite bath with a rain shower. Two are located on either side of the main pool and the master suite is privately ensconced in the rear. Its en suite bath features a shower with a view and a door to the 2nd pool – just perfect for swimming morning laps!
