PRIVATE VILLA

Peaceful and private best describe this 2 bedroom hillside villa, and the views across the beautiful bay of Lorient are sensational. There is a comfortably furnished living room and a dining area adjacent to the well equipped kitchen with its breakfast bar. The 2 bedrooms are located on either side of the villa and feature unique 4 poster king beds crafted from the now extinct Imbouya tree. The terrace features a covered dining area and deck for sunning by the delightful heated plunge pool.:
